STATEMENT OF INTENT:

I Kirsty Jennings

Do hereby propose that _____

The President of the New Zealand Oral Health Association cannot hold a role of office or governance on another organisation or association that is associated with Oral Health.

My motivational reasoning for the above motion is _____

This motion is intended to prevent any potential conflicts of interest and to preserve the integrity, independence, and best professional outcomes for NZOHA. Holding leadership positions in multiple oral health organisations may compromise decision-

making or create divided loyalties. This measure ensures that the President's focus and responsibilities remain solely aligned with the interests of NZOHA and its members.
